(3) A local agency that has not rebated sales and use tax revenue pursuant to a tax revenue sharing agreement during the immediately preceding fiscal year shall report that fact on their tax revenue sharing agreement reporting form as part of the information required by subdivision (e)(1) and shall be exempt from the additional reporting and publication requirements in subdivision (b)(4).

(4) A local agency that has rebated sales and use tax revenue pursuant to a tax revenue sharing agreement during the immediately preceding fiscal year shall also report the information required by subdivision (e)(2) on their tax revenue sharing agreement reporting form and publish the information required by subdivision (e)(2) on the local agency's website by April 30 of each year in the manner required by subdivision (b) of RTC section 7213.

(3) The Department shall not grant a 30-day extension based on a local agency's claim that the information is confidential.

(4) If the Department grants a local agency an extension, the Department shall notify the local agency by certified mail that it has 30 days to report or publish the required information commencing on the next business day following the expiration of the 45-day period provided in subdivision (c)(1).

(6) The notice shall be addressed to the person authorized to receive confidential data at the local agency's address as it appears in the Department's records. The mailing of the notice shall be deemed complete at the time of the deposit of the notice in the United States Post Office, or a mailbox, sub-post office, substation or mail chute, or other facility regularly maintained or provided by the United States Postal Service, without extension of time for any reason.

(d) Penalties.

(C) The first calendar day after the expiration of the local agency's 30-day extension when an extension was timely requested and granted.
